

& TSUNAMI STROKE SCHOOL

The Tsunami Stroke School bridges the gap between swim lessons and swimming as a sport. This program is for swimmers ages 5 and up that already have the fundamentals of swimming but want to keep progressing their skills. We focus on improving each swimmer's stroke technique with a small group ratio of 6:1 and seek to introduce all four competitive strokes. Our professionally trained coaching staff are excited to share their passion for swimming!

Participants can chose from one day a week or multiple days, accommodating the busy schedule of multi-sport athletes. For more experienced students, our program can serve as a supplement to summer league and USA Swimming programs to allow swimmers to advance their skills in a more a personalized setting.

Students must complete a free swim assessment. Please contact:
